FALL TERM 2003
SCHOLARSHIPS

MOST OUTSTANDING SCHOLAR AWARD

The $1,000 Student Scholar award is presented to the graduate with the highest grade point average who has completed the College program within two years.

PBCC ACCESS & OPPORTUNITY SCHOLARSHIP

The $750 award is presented to an outstanding graduating senior who exemplifies the goals of diversity in higher education.

DEGREES CONFERRED BY PBCC

Some of our graduates will be receiving the Associate in Arts degree which represents the same study that would be completed in the first two years of a four-year university program. The Associate in Arts degree enables students to continue their studies in baccalaureate programs at upper-division colleges and universities.

Other graduates will be receiving the Associate in Science or Associate in Applied Science degree, which is offered in a number of business, technical and occupational areas and which is designed to provide immediate entry into the job market; however, some programs may transfer to universities to allow students to continue in baccalaureate programs.

ACADEMIC ATTIRE

The academic attire worn at commencement ceremonies today is based on a history of tradition which began in medieval Europe. At a time when the general type of clothing worn was the robe or gown, individual rank or wealth was indicated by colors and materials. As trades, professions, guilds and universities developed, distinctive variations came into being to identify the various members' individual affiliations.

Universities gradually modified the gowns, capes, hoods and caps into distinctive forms which would identify an individual's level of academic achievement. In the 1890s, American colleges and universities agreed upon a somewhat uniform application of the academic regalia. Typically, scholars with the bachelor's degree wear the unadorned black robe. Those with the master's degree also wear a hood lined with the colors of their college and trimmed with the specific color designated for their academic discipline area. The doctoral degree robe additionally has three velvet bars on each sleeve and the hood is more ornate.

At Palm Beach Community College, all associate degree graduates wear the black robe. Some of our academic disciplines are additionally identified by color of the mortarboard tassel as follows: associate in science degrees in dental hygiene—lilac; dietetic technician—sage green; nursing—apricot; and occupational therapy assistant—light blue. Students who have earned 12 credit hours in honors course work and maintain a 3.2 GPA are designated as Honors Graduates and receive a Honor Medallion upon graduation. Students who are members of the Phi Theta Kappa National Community College Honor Society may wear the gold stole and gold tassel. Psi Beta National Honor Society in Psychology members wear the gold cord with blue tassel. Faculty and staff members each wear the traditional attire of the individual college or university which conferred their degree.
